

Beach Creative is joining in with The Great Big Art Exhibition by using its front windows as an art display space. The Great Big Art Exhibition is an initiative run by Firstsite who are based in Colchester. It is encouraging artists, young and old, amateur and professional to display their work in windows, on balconies or in gardens, while all our galleries and Art Centres are closed.

WANT TO KNOW MORE?

Go to the website: firstsite.uk and download an introduction pack.

See the Facebook page: The Great Big Art Exhibition.

Or Twitter @firstsite and Instagram @firstsitecolchester

To show in the Beach Creative window:

- We need artwork no bigger than A4.
- It needs to be able to through the letterbox (rolled or folded).
- To be unframed, it can be mounted though.
- And share it on one of the social media sites listed above.

Every week we will go through the letterbox submissions and make selections to show in our windows. First selections in by Sat Feb 13th.

There are themes, the current one we believe is **ANIMALS**.

VERY IMPORTANT

Please remember to put you name and contact details on the back of your artwork.
